Step 2: as soon as you are logged in, you will be directed to your dashboard. Click on the icon “publications”.

The screenshot shows the World Glaucoma Association website dashboard. At the top is a dark blue navigation bar with a home icon, and menu items for "About Us", "Congress", "Publications", "Education", "Members", and "About Glaucoma". On the right side of the navigation bar are social media icons for Facebook and Twitter, a user profile icon, and a "Logout" link. Below the navigation bar is the WGA logo, which is a stylized sun with "WGA" in the center, and the text "World Glaucoma Association" and "The Global Glaucoma Network". The main heading is "Your Dashboard". Below this heading are four icons: "Your profile" (a person icon), "Education" (a building icon), "Publications" (an open book icon, which is circled in red with a red arrow pointing to it), and "Our congress" (a group of people icon). To the right of these icons is a sidebar with three items: a "View your dashboard" button, a banner for "Free access to Journal of Glaucoma for members of WGA affiliated Glaucoma Societies!", and a banner for "International Glaucoma Review" with the website "www.e-igr.com".

Step 3: choose the publication you wish to read: IGR or JOG. After clicking on the cover of the publication of your choice, click visit “IGR Online” or “Visit Journal of Glaucoma Online” and you will be directed to the website of IGR or JOG.

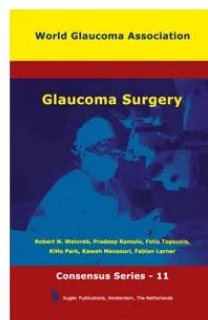

Here you can select the article/issue you wish to read and read it either online, in a PDF, or Epub format.
